## Agalite Hardware

Agalite Shower & Bath Enclosures warrants its Shower Door Hardware for a period of five (5) years from the invoice date to Agalite's dealer. The Shower Door Hardware is warranted against material defects and defects in workmanship.

Claims against this Limited Warranty are subject to inspection by Agalite prior to any issuance of a remedy against the warranty claim. This Warranty does not apply if it is determined that the Shower Door Hardware has been installed and/or maintained in a manner that is not in accordance with Agalite's instructions and guidelines provided with the hardware. Wearing and degradation of the finish on oil rubbed bronze hardware should be expected, is inherent to a "living finish" characteristic, and thus, does not constitute a material defect or a defect in workmanship. This Warranty applies to the original purchaser and is not transferable. This Warranty is extended to residential applications only.

Agalite will only provide the following forms of remedy under this Warranty:

- Refund of the invoice price of hardware.
- Replacement of the subject hardware.

This constitutes the extent of Agalite's liability and obligation for any material defect or defect in workmanship concerning its Shower Door Hardware.

Agalite makes no other warranty, express or implied, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. In no event shall Agalite be liable under any legal theory (including but not limited to contract, negligence, strict liability in tort, or warranty of any kind) for any indirect, special, incidental, consequential, or exemplary damages (including but not limited to lost profits).

*\* Living finishes have no protective coating, are intended to change over time with use, may rub off during use and may darken over time. The reason for using a living finish is to add uniqueness and character to the fixture.*
